

## UPDATE ON COLLEAGUE REST AREAS

---

Dear Members

As you are probably aware there has been much discontent on the vending machine contents and rest areas to the extent that vending became a national issue. Following discussions with the company there will be some improvements as follows:

- Water coolers are being installed where they are required and once this work has been done the carousel machines currently holding bottled water will be removed. This should be completed by end March.
- The source of the free tea and coffee will move to the Klix machines. Instead of purchasing the coffee and teabags from the shop floor to make available for colleagues, the Klix machines will have six buttons moved to free vend (tea/coffee/with milk/without milk/sugar/no sugar. Other drinks such as latte, juice etc will still be available via the Klix machine but will be priced, not free. This change will be from week 17 (week after Easter). Where there is no Klix machine the current arrangements will remain. Chocolate in the vending machine – the multi pack size will remain at a reduced price of 30 p (from 40p) and in addition, full sized chocolate bars will be made available in the vending machine priced at 60p – this is the same price as the shop floor (excluding colleague discount).
- The multipack crisp price will be reduced from 40p to 25p. Discussions are on-going for other improvements in the rest area and the purchase of consumables.

Yours sincerely
