TO: ALL BRANCHES & WORKPLACE ORGANISERS

Dear Colleague,

TRAINING PROGRAMME SEPTEMBER 2024 TO JULY 2025

I am pleased to enclose details of the Training Programme for the above period.

On receipt of the completed Initial Support Meeting (ISM) form, all Workplace Organisers (WO's) will follow an automatic progression route through the mandatory programme. See the training progression route on page 3, which includes all mandatory and other courses available. It is important to note that it will more than likely take a few years to complete all the courses available to WO's.

Congress Explained & Branch Organisation is available for all WO's and Branch members. Congress Explained for Elected Delegates is specifically for Delegates to Congress only. If you are interested in attending Congress or want to know what's involved, make sure you apply for the course scheduled in October.

We will be continuing with the Diploma on Trade Unions & Politics in a Contemporary Society, which has been designed and developed by the GMB Southern Region Education Department and Shrewsbury College. It is a Level 2 course which will enable GMB WO's to progress onto further higher-level education study. This is open to all WO's who have some experience of trade unions and their role and practice. We welcome applications from all areas of the union and it is our objective to encourage applicants from a whole range of diverse backgrounds.

Whilst we encourage all WO's to attend our mandatory training, there are additional needs particularly for WO's working in Schools to attend courses with some flexibility. Therefore, they can attend courses in two parts, ie. Monday to Wednesday during one course and then on the next batch Thursday and Friday. This avoids them being out of the classroom for a week at a time and has worked well for those attending previous courses.

Specialized courses can also be scheduled, ie. workplace or sector, if there is enough demand. Please contact the Regional Education Officer about the possibility of putting on such courses.

Requests for Accompanying Reps to be trained and certificates to be issued, must be authorised and endorsed by the Branch Secretary and Senior Organiser, before any training and certificates are arranged and issued. Training will then be scheduled on an as required basis.

The GMB Southern Region does not endorse attendance on TUC courses, as we have a full Training Programme, which covers the needs of our Workplace Organisers. However, if the WO wishes to attend a TUC course, they can do so at their own expense. Please note that we will not cover any costs for attendance on these courses.

We hope that you will find our courses interesting and informative to give you the knowledge to carry out your role as a GMB Workplace Organiser or Branch Official. If you have any queries regarding your training, please do not hesitate to contact the Regional Education Department via email to educationso@gmb.org.uk or by telephone on 020 8397 8881.

Yours sincerely,

ALAN FRASER
REGIONAL EDUCATION & HEALTH & SAFETY OFFICER
