THE KEY TO IMPROVING YOUR JOB PROSPECTS

We appreciate the importance of learning and skills. We also know how important it is to continue learning and boosting your skills, even into adult life. That's why we are offering our members a number of flexible learning solutions for those of you who want to gain a new skill to add to your CV or to gain a qualification.

And they're **FREE**

We offer a number of courses, including:

- *Adult Skills for Business
- *Adult Skills for Care
- *Distance Learning Courses
- *Level 3 Diplomas
- *Maths, English and ICT up to level 2

All our courses are distance learning (online or paper-based), meaning you do them at your own pace at home. All give you an accredited certificate or diploma as proof of your achievement.

All courses are nationally accredited, recognised qualifications.
And there are no tests!
Most qualifications are assessment-based only, and a dedicated tutor's support is provided for every learner.

For more information, or to enrol yourself or your colleagues, please contact Liliya Brabbs on
