Re: GMB ballot result at Cory

Dear Colleague

I had agreed to send out a short text last week for the outcome of the ballot. I can confirm that the outcome was just over 80% to accept the offer made by Cory. As in line with the collective bargaining process, I have to accept the majority.

Whilst I am aware that some of you are disappointed with the outcome, the members exercised their right to vote in the way they saw fit. Neither GMB nor I can force members to vote in any particular way.

Yours fraternally
