London Weighting, DS- Branch have written to Leader of the Council, AO, and we are waiting on a response. GMB are going to hand in the grievances that members have signed and will be asking him to look at the issue seriously. Once this has taken place we shall move to an indicative ballot and will be asking the NJC membership if they are willing to take industrial action. DS said that if we do not meet the 50%+1 ballot threshold from the members then unfortunately we will no longer pursue this issue. It is very important the members engage in this process.

Finances-EF- Finances have been shared with the agenda, any questions?

Meeting was closed as members dropped out and the meeting was no longer quorate.

Elections from this meeting will be moved to the next Branch meeting.

Next meeting to be held at Woolwich Town Hall 5.30pm Tuesday 2nd December 2025
