NSL Wandsworth Strike Dates

Dear Colleagues,

I can confirm the next strike dates are listed below.

Monday 18th, Tuesday 19th. Monday 25th through to Friday 29th.

Please be aware some of you did not sign in on some days, these are not paid if no attendance. Some of you also failed to supply the claim form, Femi has the names so please contact him.

Reminder: You need to be at the base by 0930 on the next strike days and will be expected to form a 6-person picket line, hold a banner and or a flag. For those not on a picket line there is an expectation you should be holding a flag or banner. We cannot have strikers turning up after this time as they will not be paid without prior notice and agreed, this is a branch directive.

Yours fraternally,

Paul Grafton
