

SOUTHERN REGION SCHOOLS COMMITTEE

17th March Online Meeting – Chessington

Chaired & hosted by Kim Marshall

Introduction – Kim

Election of delegate to National Schools Committee

*GMB Southern Region has x 4 positions on the National Schools Committee. This Committee meets x 4 times a year **in person and at our National Office in Euston** - all dates for the year are advised at the start of September term. The National School Committee is instrumental in forming policy, recommendations and campaigns that is then rolled out to the wider Union.*

We have x 1 vacancy on the National Schools Committee, if you are interested, please submit a short-written report to me on who you are/ background and why you are best placed to represent the Southern Region's school members nationally. We are looking ideally for someone from an EYFS background to fall in line with a motion from 2026 for GMB to organise in the Early Years sector. However, candidates from all backgrounds are welcome.

You will need to ensure that you attend the meeting on the 17th March to present your report to the Regional Schools Forum and if there is more than one nominee, there will be a secret ballot held to decide who is elected.
